Use icons to close report, or expand to full-page view

The screenshot displays the 'Current Analysis' website's 'Competitive Intelligence Reports Timeline' for August 2009. The main content area lists several reports, with 'Motorola Scores a First - Announces Over-The-Air Test of TD-LTE' highlighted. A 'Report Legend / Filter' panel on the right allows users to filter reports by type, such as 'Intelligence Reports' (red), 'Advisory Reports' (blue), and 'Product Intelligence' (purple). A 'Timeline' dropdown menu is set to 'to date' and shows options for 2008, 2007, and 2006. A 'Report Legend / Filter' panel is also visible, listing report types like 'All Reports', 'Intelligence Reports', 'Show Updates', 'Advisory Reports', 'Product Intelligence', 'Flash Analysis', 'Market', and 'Company'. A 'Report Legend / Filter' panel is also visible, listing report types like 'All Reports', 'Intelligence Reports', 'Show Updates', 'Advisory Reports', 'Product Intelligence', 'Flash Analysis', 'Market', and 'Company'. A 'Report Legend / Filter' panel is also visible, listing report types like 'All Reports', 'Intelligence Reports', 'Show Updates', 'Advisory Reports', 'Product Intelligence', 'Flash Analysis', 'Market', and 'Company'.
