

Current Analysis Analyst Profile

Dustin Kehoe

Principal Analyst, Business Network and IT Services

dkehoe@currentanalysis.com

Phone: +31 20 776 5917

As Principal Analyst, Dustin Kehoe covers Business Network and IT Services across Europe and emerging markets. Dustin's primary coverage areas encompass leading and emerging providers of managed services. He has a special focus on unified communications, data centre services and workspace management, and brings over ten years of experience in telecom and IT related fields. Prior to joining Current Analysis, Dustin worked for a pan-European carrier working in marketing, corporate communications and analyst relations roles. Dustin also spent several years in a management consultancy role specialising in Central and Eastern European ICT markets, and as a Reporter for Forbes Magazine covering start-up activity in Silicon Valley.

Kehoe, a native of San Francisco, CA, graduated from UC Davis with high honours in Political Science. He has also studied at Cambridge University and holds a post-graduate degree MSc. (Economics) from The London School of Economics. Dustin participates regularly in industry forums, including the Enterprise VPN Users Association (EVUA), and is quoted regularly in a number of leading trade publication titles.
