

Current Analysis Analyst Profile

Steven J. Schuchart Jr.

Principal Analyst, Data Center
sschuchart@currentanalysis.com
Phone: +1 920 469 1473

As Principal Analyst for Data Center, Steve is responsible for analysis of Data Center trends, with a specific focus on Server Virtualization and Management, Storage Virtualization and Management and Email Archiving. Steve focuses on tracking and analyzing the companies, technology, product, and partnership initiatives in the Data Center. He joined Current Analysis in 2004.

Prior to joining Current Analysis, Steve served as the Managing Technology Editor for Network Computing Magazine and managed and edited content of the Storage and Server Technology section of the publication. Prior to that, Steve served as the Network Architect of Information Systems for ShopKo Stores, Inc., a mid-western retail chain.

Often called upon by Information Week, and Network World, Steve is considered an industry expert in the areas of servers, storage, networks and Data Center systems.
